1" Class Impacttools	12-13
1 1/2" Class Impacttools	14
2 1/2" and 3 1/2" Class Impacttools	15
Impactool Selection Guide	16-17

The new **IR Ingersoll Rand** corporate and brand identity, introduced in 2000, is now being incorporated into product identification and packaging, as well as all communications. While most product photography in this catalog still reflects the previous symbol and logotype signature, you will soon see our new look on everything IR.
