## **QUICK RELEASE MAGNETIC BIT AND SCREW HOLDERS**

**Did you ever wish the fastening in hard to reach spaces was easier ? We got it !**

Our New Vessel **Bit Holder** Model No. MBC and **Screw Holder** Model No. MBH are designed with a magnetic quick release system that is capable of securely holding any bits and extra long screws., Ideal to use in hard to reach spaces.

The retainer ring is designed to quickly push, lock, hold in place and release the bit or screw for a reliable and safe fastening.

Contact JDV Products Inc. for additional details about this product or on our complete line of hand and air tools, nippers, end of arm tooling and static eliminators, or visit our website: [www.jdvproducts.com](http://www.jdvproducts.com)
